

Wild Lake Association

P. O. Box 1011

Washington, NH 03280

Dear Members and Friends of the Highland Lake Association,

The Wild Lake Association is a non-profit association that is open to anyone interested in maintaining the open land that is known as Wild Lake conservation area. WLA is entrusted with maintaining the 400 acre conservation land which is the open forest abutting Highland Lake Association properties.

WLA by-laws call for a \$10.00 per year membership fee to be a member of this association. WLA is actively searching for members to support our cause and keep abutting land as open forest for recreational uses. We are a non-profit entity, so besides your contribution, if someone you know such as family, friends, employers or a civic organization would like to make a tax deductible donation to WLA it would be greatly appreciated. (A receipt will be provided upon request.) We need to grow our membership and keep our land conservation efforts strong, so PLEASE help in any way that you can.

Members who contribute \$25.00 will get an OHRV or vehicle sticker and a membership card that states your rights as a member to use this conservation land for recreational uses. This includes hiking and/or use of your recreational vehicles. Display you sticker and show your support and pride of being a WLA member. Extra stickers are available for members @ \$5.00 a piece.

WLA will be opening an OHRV Club soon that will be considered by the State of New Hampshire as an official off-road ATV club. Joining an ATV club will discount your registration. Part of this fee will go back to our club to help keep the WLA lands open and well maintained. So, please look for the "Dirt Donkeys ATV Club" when you choose a riding club.

Thank you for your support and for actively looking for other contributors to the Wild Lake Association.

Sincerely,

Daniel R. Lavoie, WLA President
